APPEAL
FROM
BANKRUPTCY COURT ORDER
DATED 07/24/06

In the Bankruptcy Hearing on 07/21/06 Judge Walrath stated (Exhibit A, page 18, 3rd line) that she did not believe over 1000 pilots were missing from the "A" list attachment to the Settlement Order. She is absolutely incorrect. She participated (innocently) in removing those pilot LPP Claimants from the list but bears some responsibility to at least pay attention when someone, although an unsophisticated pro-se appellant, is trying to correct a wrong. The following facts are irrefutable and are derived from the affidavits and representations of Class Counsel and Continental.

In the year 2000, Class Counsel, and Continental were in the process of establishing the Class of Eastern Airline LPP Claimants for the Continental Bankruptcy. Class establishment was not required because this District Court and the Appellate Court had ruled that **all** Eastern Pilots were LPP Claimants by the mere fact of the unrejected Eastern Collective Bargaining Agreement.

There were (according to Class Counsel and Continentals own affidavits) two thousand and five (2005) , LPP claimants (see **Exhibit B**) who had not yet settled with Continental or who had opted out who would populate the established Class. Class Counsel was to represent those 2005 pilots in settling their LPP Claims against Continental. He was well aware of those LPP claimants and well aware that there were 2005. When the Settlement Order was signed by Judge Walrath on Jan 31, 2002 only 533 names were on the infamous "A" list (attachment to the settlement order, **Exhibit C**) and even less that actually received their legal settlement.

At the time of this appeal, today, roughly 1500 LPP Claimants have been deprived of the settlement which the Bankruptcy Court had clearly intended.

The Bankruptcy Court, relying on the integrity of Class Counsel and Continental has been thoroughly deceived by fraudulent and perjured

testimony and representations. I do not blame the Court. There was an extraordinary amount of first class lying by supposedly oppositional parties. It is very difficult to pick through a large number of sophisticated lies. The Court was a sitting duck to the predations of these two legal eagles, Continental and Class Counsel. Unknowingly, the Bankruptcy Court granted carte blanche approval to almost any method or scheme proposed by Class Counsel and Continental to deprive valid LLP claimants of the settlement which the Bankruptcy Court intended. Actually, Class Counsel and Continental subverted the good intentions of the court to be fair and equitable to an actual result of depriving LLP claimants of their court intended settlement.

The lies and misrepresentations are numerous, sophisticated, and clever. Taken together they constitute a systemic blocking action to prevent valid LLP claimants from receiving their settlements.

I belong to the largest of the subgroups sabotaged by Continental and Class Counsel, the 1220 LLP Claimants who were hired after 4 Mar 89, referred to as the "new hires". As a member of the "new hire" subgroup I and 1220 LLP Claimants were eliminated from the settlement, even though I am was a valid LLP Claimant as were all 4903 pilots on the official Eastern Pilots Seniority List. The official Eastern Pilots Seniority List has been

submitted to the Bankruptcy Court, instead Class Counsel and Continental, against the law hid this document. Class Counsel and Continental led the Bankruptcy Court to believe that their personally designed seniority list was accurate. Enclosed is the official Eastern Pilots Seniority List (**Exhibit D**).

Mechanisms Used to Eliminate Valid LPP Claimants

1. The supposed Court **Approved Seniority List** was certified by Continental and Class Counsel to be the Nov 1990 Eastern Airlines Seniority List. **It clearly is not the Nov 1990 Seniority or even a semblance thereof. Class Counsel, Class Representatives and Continental knew that it was not the Nov 1990 Seniority List but they lied to the Court to help Continental eliminate LPP Claimants.**

Exhibit D has 4903 pilot's names and lists all pilots who were with Eastern pre-strike and all pilots who were hired post-strike through shutdown. There were 3683 pilots prestrike (**Exhibit D**, page 55, last item). During the strike 1320 pilots were hired to bring the total to 4903. Each and every one was covered by the Eastern Collective Bargaining Agreement even if they were non union members and even if they were "new hires". .

All 4903 pilots on Exhibit D are LPP Claimants and all 4903 should receive the Bankruptcy Court directed no-opt out LPP

Settlement. The LPP Claimants cannot opt-out nor can Continental opt-out.

The Edna Smith/Continental Affidavit (**Exhibit E**, page 2, 3 (a)), last line confirms that there were, initially, at least 5000 thousand claims. They had been registered with Continental by name.

Class Counsel and Continental never informed the Bankruptcy Court that the official list of 4903 pilots were the names of all pilots who are LPP Claimants. They did not want the Bankruptcy Court to know that all 4903 are LPP Claimants, entitled to the Court directed settlement. The Court would require that Continental settle with all of them and that was not what Continental and Class Counsel planned. They planned to limit payments of settlements as much as possible without getting caught.

2. The **"A" list** is an attachment to the Settlement Order (**Exhibit C**). The list was populated by mutual agreement by Class Counsel and Continental with 550 names rather than the 2005 names of the LPP Plaintiffs who had not yet settled their claims or opted out. Those 2005 names can be derived from the list of 4903 claimants less those who had settled or opted out. Not difficult at all for someone proficient in Excel. Yet, Class Counsel and Continental pretended to the Bankruptcy Court they just didn't know who they were. In reality, they knew exactly who the LPP Claimants were

as well as a vast amount of information such as social security numbers, addresses, training records which Continental has in their possession since they are the legal guardians of Eastern Airline records. Yet, they acted stupid and misled the Bankruptcy Court.

The "A list" was fixed and unalterable (by design). The Bankruptcy Court did not require that newly discovered LPP Claimants could be added. The "A list" was used in the same manner as the "Court Approved 1990 Seniority List" previously exposed above. If a valid but overlooked LPP Claimant called Class Counsel, Class Representatives or Continental to obtain their court ordered settlement they were told that they were not on the "A list" and therefore unqualified to receive the Class Settlement. There was no way to get on the list even if qualified. No one was ever able to alter the list (despite the Appeals Court directive to do so) to Continental's delight.

3. **Elimination of the New Hires** Between Feb 31, 2000 and June 14, Continental and Class Counsel conspired to misinform the Bankruptcy Court and were effective in eliminating the group to which I belong, the 1219 members of the new hire group, those hired after Mar 3, 1989. Those new hires excluded are listed by name on **Exhibit D**, Pages 56 through 72.

Exhibit F (Adversary Proceeding No A-99-412 tells the story of the

conspiracy in Class Counsel's own words:

On Feb 3, 2000 (Page (2), item (1)) the Order Certifying the Class was **granted to all Eastern Former flight deck employees who have a timely claim**. The Edna Smith/Continental Affidavit (**Exhibit E**, page 2, 3 (a)), last line confirms that there were, initially, at least 5000 thousand claims. To have 5000 claims the new hire group would, by numerical necessity, have been required to be included. "New hires", therefore, did have a claim which had been registered with Continental.

The next paragraph of **Exhibit F** (page 3 para 2) states there was a disagreement whether "new hires" were part of the Class. If they were part of the Class, Class Counsel would receive 120,000 shares at 30 dollars a share (three and one half million dollars) for representing them. Yet he readily agrees and supports Continental's position without an oppositional hearing with a Bankruptcy Judge decision on the issues. .

The next paragraph (**Exhibit F**, page 4, para 3) sounds reasonable but is deliberately misleading. Is the rationale by which the 1220 member new hire group was casually dismissed. It is the foundation of my appeal. It quotes, if it is to be believed, that the Proofs of Claim submitted by ALPA (the Airline Pilots Association) for the takers of the ALPA/Continental Agreement of 1994 excluded new hires, that ALPA would not enforce the

EAL LPP Claims. That is all fine, even if it is to be believed. I contend that even if the 1994 ALPA/Continental agreement did exclude new hires, the 1994 ALPA/Continental settlement agreement has no bearing and is non-controlling on this Class action. ALPA was not a party and is not a party to this Class Action.

The Settlement Agreement is compensation in lieu of my right to arbitrate granted to me by this District Court and reaffirmed by the Appeals Court in *Continental I*. "In re Continental Airlines, 125 F. 3d 120".

The 1991 ALPA Proof of Claim did not eliminate new hires.

(Exhibit G). The 1991 Proof of Claim applies to this Class action as it was the initial Proof of Claim to establish LPP claims for all pilots.

The above statement that the ALPA/Continental Agreement of 1994 excluded new hires, when it was not relevant in this case was used to mislead the Bankruptcy Judge to justify elimination of the new hires in the Class Settlement. Both Continental and Class Counsel knew they were misleading the Bankruptcy Court to deny a large number of LPP Claimants by unjustifiably enriching Continental. This clearly was fraud, although admirably clever.

4. **The B List Debacle** After the Settlement Order was signed on 31 Jan 20, 2002, Mr. Ramon O'Neill realizing that some people were

missing from the "A list", but not fully aware of the full numbers or reasons, made his way up to the Appeals Court. Both Continental and Class Counsel, acting in concert, opposed Mr. O'Neill's effort to incorporate overlooked LPP Claimants into the settlement. *I repeat. Both Continental and Class Counsel, acting in concert, opposed Mr. O'Neill's effort to incorporate overlooked LPP Claimants into the settlement.* {In fact, 55 other individuals had filed notices to appeal the settlement order at that time including myself. Either Continental or Class Counsel or both represented (lied) to the Judge that all the notices to appeal were filed late. All 55 were dismissed as late. The Court kept the money (\$105 per appellant) and refused, repeatedly to acknowledge requests (despite multiple pleadings and validated return receipts) to reinstate those appeals.

In Appeals Court under pressure, Miles Tralins, Class Counsel, found "newly discovered" LPP Claimants (which he had actually acquired from Continental to stymie Mr. O'Neill's momentum in Appeals Court.) A "B List" with about 250 names was issued and a new deadline for settlement was designated. Class Counsel collected another \$750,000 (250 claims x 102 shares per claim x 30 dollars per share). You think he would have been pleased and would have wanted to insure that all his "newly discovered" clients were contacted. Not so. He wasn't pleased, he even gave Mr. O'Neill

an F.U., and he didn't insure those "newly discovered" were all contacted. .

A year ago, I took the "B list" and contacted 30 random names. I did so by using the web site, Landings.com. I linked to the FAA (Federal Aviation Administration) website and downloaded the current addresses of those 30 "B" listers. I used Sprint information at one dollar per inquiry and called each of them. None was aware they had been awarded a Class Settlement. In my ignorance I told them to contact Mr. Jameson, substitute Class Counsel, but unfortunately the 60 day bar date extension had long expired. I claimed in my last filing to this court that none had been contacted. Continental replied, and I stand corrected in that 60 had received their settlements. A few had received their settlements, but 190 had not. They had not because Class Counsel was doing his job as an agent of Continental and surreptitiously limiting payouts as much as possible without arousing suspicion. Some money and good faith effort could have led to finding those people.

Unfortunately, the Court relied on its licensed attorneys to uphold profession standards. The Court has been disappointed.

Conclusion

A sympathetic Bankruptcy Court has helped Continental avoid the potential disaster that could occur to Continental if an NMB Arbitration

occurred with respect to the Labor Protective Provisions issue.

The Bankruptcy Court allowed a Class Action in lieu of Arbitration. Unfortunately, Continental wants to deprive 1500 LPP Claimants of their settlements and will use all manner of illegal, voracious legalistic maneuvering to keep the agreed settlements to itself.

I would favor arbitration but I believe the Bankruptcy Court can structure a just settlement as it originally intended.

There is also the problem of that must be addressed with respect to those who would commit fraud to deprive their legal opponents of their Court intended awards or rights. I'm sure the Court knows what to do.

THE CLERK: All rise. You may be seated.

THE COURT: Good afternoon.

MR. JAMESON: Good afternoon, Your Honor, Bruce Jameson of Prickett Jones on behalf of the LPP Class Plaintiffs. Your Honor, we're here this afternoon on our Motion to Reopen this adversary proceeding, which was a Class Action that was settled. The settlement was approved by the Court. And just briefly, Your Honor, what brings us here is two years ago, Miles Tralens, who had been lead counsel in this case, was killed in an automobile accident. Since that time, my office really has taken over as the lead position in the case. We have obtained the files, or the vast majority of files from Mr. Tralens' office. We've been working to basically wind up the final settlement. In the settlement, there have been two distributions made to class members over time. There is a remaining fund which we would like to make a final application to get Court approval to distribute out all that money. And basically the application would consist of an application for fees and expenses in connection with the administration of the settlement up until now, which is contemplated by the agreement. But more importantly --

THE COURT: Well, does the settlement require that I approve the final distribution?

MR. JAMESON: I believe it does, Your Honor. The specific provision of the Settlement Agreement says that the

settlement consideration, if any, which is not distributed as a result of a failure of anybody to timely submit claims, will be applied to the payment of such additional Court approved settlement administration costs, fees or expenses which may be incurred during the administration of the settlement, with any remaining balance to revert to the Continental Estate. That is paragraph 3.01(d) of the Settlement Agreement. So that's one aspect of it, Your Honor. I believe that as I read the Settlement Agreement, yes, Court approval is required. But more importantly --

THE COURT: Or they don't get paid unless there's Court approval. It doesn't mean that --

MR. JAMESON: That -- yeah, correct. That's the other aspect. But more importantly, Your Honor, particularly from my point of view, we have been contacted now by several people, some of whom have filed applications with the Court -- at least one gentleman named Mr. Duckworth has contacted me directly, but has not made a filing with the Court -- all of whom now seek their distributions from the settlement. And various of the people give various reasons why they did not get distributions before. Some of them, as is pointed out in Continental's response, are people who claim that they didn't get notice of the settlement, even though they filed appeals from the Court Order that approved the settlement. Others claim that they simply never got notice. In Mr. Duckworth's

case, he advises me that he's been out of the country for the past nine years. Various reasons are set forth.

Your Honor, I did not feel that I could, under the Settlement Agreement, make the decision as to whether or not it's appropriate to pay these people. The Settlement Agreement obviously contemplates that you had to file a timely proof -- or not a proof of claim, but rather a timely claim form and meet various other criteria to be entitled to the settlement. Your Honor, that is the real reason that I bring this to the Court, is because I would like final Court approval and guidance on how to deal with those people. From our perspective, that is the Class Plaintiffs, I don't anticipate that we will take an affirmative position, unless we determine, for example in the case of one of the people, that they are not a member of the Class at all. Mr. Broderick who filed things, it appears to us he's not a member of the Class, because he simply didn't meet the criteria to begin with. As to the others who filed appeals and/or simply claim that they did not get notice, I would like to lay out in our application for the Court exactly the facts we have about those people. And we are happy to do whatever the Court tells us to do with respect to those people.

So that is why we come here today seeking to reopen the case. My hope is that I would be in a position to file the final application that I talked about, in mid-August basically,

and then we can proceed on whatever schedule suits the Court.

THE COURT: All right. Anybody else wish to be heard on the motion?

MR. ADAMS: Captain Adams, yes, Ma'am, I do.

THE COURT: All right, Captain Adams, what's your position on the motion?

MR. ADAMS: Just preliminarily I'd like to hear what some of the other Claimants have to say. But Mr. Jameson's statements are somewhat disingenuous. He claims to have notified all of the eligible Claimants on the remaining Eastern Seniority List. And they certainly have not done so. They did notify me, but I was in the appeals process at the time. And some of the people who were in the appeals process, as I understand it, were never notified, even though they should have been under the terms of the settlement.

THE COURT: Well, you can't -- if you got notice, you can't be heard to argue notice was not given.

MR. ADAMS: No, Ma'am, that's not what I'm arguing. I'm arguing that they did not adhere to the process as set out in the Settlement Order.

THE COURT: Well, they did as to you. You got notice.

MR. ADAMS: I got notice.

THE COURT: All right.

MR. ADAMS: Like I said, I was in the appeals process at the time. Had I signed the agreement at the moment, it

would have mooted my appeals process, so I could not do so. But nowhere in Your Honor's Order did I ever see any words to the effect that if my appeal as unsuccessful to the District and Appellate Court, that that made me ineligible for the payout.

THE COURT: Well, you did know that you had to file a claim by a set time.

MR. ADAMS: Yes, Ma'am. But as I said, I was in the appeals process during the time that that set time had expired --

THE COURT: But --

MR. ADAMS: -- which I think was reset to August of '02.

THE COURT: Well --

MR. ADAMS: I was told my appeal didn't get heard and finally judged on until -- I'm trying to remember the Appellate Court's appeal decision date. It was in '03 some time.

THE COURT: Well, that was a decision you made. You could have --

MR. ADAMS: Yes, Ma'am, it was, but --

THE COURT: You could not --

MR. ADAMS: -- your Order --

THE COURT: -- have it both ways.

MR. ADAMS: -- did not say that because I was in an appeal process, and if I lost the appeal, that I had no rights

under the settlement.

THE COURT: It did say if you did not file a claim, you lost all rights.

MR. ADAMS: Yes, Ma'am. But had I --

THE COURT: Okay.

MR. ADAMS: -- filed that claim, in the wording of the claim form they sent me, it say that I hereby renounce all further claims -- let's see -- all further claims against the Estate of Continental. And I couldn't do that, because I was in the appeals process. That would have mooted my appeal.

THE COURT: All right. But that was a decision you made. So there's no reason to change the settlement. That was the terms of the settlement. Either you filed your claim or your pursued the appeal. And you made your choice.

MR. ADAMS: Okay. Then was it Your Honor's intent that anybody who objected to this was then forever barred from a claim? I was only appealing Your Honor's Settlement Order.

THE COURT: Whoever did not file a claim, was precluded from participating. Yes.

MR. ADAMS: So in other words, you were pre-punishing those who objected to the terms of the Settlement Order before the issue was finally resolved.

THE COURT: Yes, because I determined that it was a settlement. If you wanted to participate in the settlement, you would get your distribution. If you did not agree to

participate in the settlement, by not filing your claim and by appealing, you don't get your distribution. Yes, that was the effect of the Order.

MR. ADAMS: Okay. I will accept Your Honor's ruling on that, and interpretation of that. But, again, my objection in this hearing is not simply to the -- to my money. My objection here is that under the terms of your Settlement Order, these gentlemen have violated it, chapter and verse, all up and down the line. They have not followed Your Honor's Order.

THE COURT: Well, I don't have any evidence of that.

MR. ADAMS: You don't? May I offer some?

THE COURT: Well, what evidence would you offer?

MR. ADAMS: Okay. In the record, the Class counsel submitted an alphabetized list of the people that they said were eligible, that their records show a constant reference throughout this proceeding to the November 1990 Eastern Master Pilot Seniority List. And, which is always issued in a Seniority Order format. The one they submitted was in alphabetical format, and it was not inclusive. Mr. O'Neill submitted the proper list in March of 2002. And as I understand from conversations with Mr. Inman, he has the proper list in his current filing, which is in your Court record today.

THE COURT: Captain Adams, didn't I decide the issue

as to who would get notice and who was eligible, in my decision which has now been affirmed?

MR. ADAMS: The affirmation said that your Confirmation Order was sufficient -- how shall I say this -- sufficient protection is how I remember the words. But your Confirmation Order has not been carried out. If I may continue?

THE COURT: Well, what evidence do you have that those on the list referenced in the Settlement Approval Order did not get notice?

MR. ADAMS: Did Your Honor not hear and hear both Continental and the Class counsel saying that the Eastern Pilot 1990 Master Seniority List was the governing list from which they were to work?

THE COURT: I ruled -- and I believe it was Exhibit A -- I ruled that the names on Exhibit A were the relevant Class. Was it not Exhibit A, to be --

MR. BARRY: Your Honor, I'll do you one better actually. The -- I think Mr. Adams is referring to the exhibit to the final judgment and Order. The parties and Your Honor may recall that after that Order was entered, there was subsequent litigation over the Class membership issue. In particular, the LPP Class filed a motion to include the additional members to be included in the Class. And in their motion, as we set forth in our response to the instant motion,

they set forth the painstaking procedure that they went through, including starting with the very list that Mr. Adams is referring to today. So, again, and as we say in our papers, and I think as Your Honor has recognized, this issue has been fully and finally litigated to its completion. And the Circuit noted that, as Your Honor stated, in its decision on both Mr. O'Neill's appeal and Mr. Adams' appeal, when it said this issue has fully and finally been resolved.

So, you know, our response essentially to Mr. Jameson's motion -- and we don't generally object to reopening just the adversary proceeding for the discreet and limited purposes that he sets forth in his motion. However, we are loathe to relitigate this Class membership issue, having fully been litigated four years ago. And we do note that Mr. Adams and essentially every other person that's filed a pleading in the case in the last two weeks was named as a Class member, and simply didn't file the claim form as required.

MR. ADAMS: Mr. -- this is Mr. Adams again. You note in your reply -- Continental does -- that they're puzzled as to who Mr. Ruski is. Now, Captain Ruski was hired on September the 13th, 1965. His seniority number is number 609. You find him a mystery. But he is an Eastern Pilot, just like myself. He is clearly listed on the Master Seniority List. And as such, would be automatically included in the Class. He's most certainly one of over the 1,000 that the Class counsel couldn't

be bothered to list, much less find and notify. Yet, in May of '02, they put the affidavits and documents, dockets 70 and 72, that the list was true and accurate in the first submission. In other words, you're saying they said that the list A was true and accurate, and they put affidavits and went through all the process they said they did, to make that list true and accurate. And I'm telling you that the list is not true and accurate, that the Court records have the Master Seniority List, that the list A was not complete, and they knew it not to be complete. And now they turn up wondering who Captain Ruski was. And that constitutes --

THE COURT: Well --

MR. ADAMS: -- a lie and a fraud in this proceeding.

THE COURT: Well, this has already been litigated. The list has been approved for many years now. You had your chance, and others objected. I heard the evidence and decided the list.

MR. ADAMS: So in other words, Your Honor is saying that knowing that the list was fraudulent and incomplete --

THE COURT: Not knowing --

MR. ADAMS: -- the Appellate Court said --

THE COURT: Captain Adams --

MR. ADAMS: -- knowing that --

THE COURT: Captain Adams, please, please don't interrupt.

MR. ADAMS: Okay.

THE COURT: Captain Adams, no one knows the list was incomplete. There was a Court decision that the list was complete. And that decision has been affirmed. That's a finding. The list was complete. You cannot relitigate that issue.

MR. NEUMANN: Pete Neumann. May I say a few words, Ma'am?

THE COURT: Yes.

MR. NEUMANN: I, in my case, just speaking of my experience, I never received a claim form. I did move twice, but all within a five mile radius, and I was in the phone book. I also went to Larry Dunn several times at work, who never mentioned to me, "Hey, by the way, this was settled. You might want to send in a claim form." So there was never any attempt to locate these guys. I would think Mr. Tralens, if he would have done this properly, they should have sent the claim forms out certified mail or return receipt requested so there's proof of some kind of delivery. But the U.S. Mail is not a perfect service, and I have mail mixed up all the time, including the last time today, or things are not delivered. I also recently located a friend of mine, a gentleman in the Air Force, a fellow officer, named Ron Butz, who did recently get a form in California. He signed it and mailed it back. And that's the last time he ever heard from EPFF. He never got his stock. He

never got the money. Nothing. And he did mail it back.

Now, if some of these people have a question as far as locating them, my daughter, who's 13 1/2 years old, in the past two months has access to a computer, and there is a website, a Government database. And she located two of your eight fellow Eastern pilots that counsel said couldn't be located in the past. And they're out there. There's a data website of only pilots. So people can be located. It's just the effort was never made. And in my case, I never received a claim form.

THE COURT: Well, but you had notice of this. You objected to the settlement, didn't you?

MR. NEUMANN: After the fact, I -- as I moved -- I happened to talk to Mr. O'Neill after the deadline. So I did appeal, because I had no other choice. I did not receive a claim form, and I had no other recourse. I couldn't mail back something I didn't receive. But I finally called Mr. Jameson, I think it was back in March. And I mentioned this to him. He said, "Oh, I have no problem with you receiving your stock. Yes, you were one of the initial people in the group. But call the Continental attorney, Mr. Barry. I called Mr. Barry. He said he'd get back to me, which he did. He said, "Yes, we see you as part of the group. I have no problem with you receiving your stock. Go back to Mr. Jameson." So they're pointing the finger at each other, saying neither one of them can do anything. Yet, I was one of the members who just never

received the paperwork to mail back. Both of them agreed I should get my stock. They both told me verbally on the phone they have no problem with my receiving it. But now they're saying they have a mess deciding who should get what.

And there's not enough funds also. Your Honor, the Order that you signed, January 31st, '02, gave us certain stock plus a small cash amount. And if you take that cash amount, that was \$81 per person, times let's say 400 people at EPFF, that came to an X amount. Well, as of right now, according to the filing, there's only \$519 left in the account. Even if you wanted to pay everyone, the money's not there. And I don't know as far as the 71,861 shares of stock, if that's enough to cover everyone that they quoted. Now, my opinion is somebody's trying to basically not let the word out, disclose complete and full. And people are never gonna get their stock. And a few individuals are going to keep it. And we're basically gonna be defrauded out of the small settlements we got, for the loss of a career.

THE COURT: Well, Mr. Neumann, I can't consider what you're telling me other people did. If they didn't file a motion here, I don't have any proof that they did or did not get this.

MR. NEUMANN: Well, you know that Gerald Butz told me he mailed it back, and never received anything.

THE COURT: Mr. Neumann, that's hearsay. If you were

on the stand to testify, you could not testify to what somebody else told you.

MR. NEUMANN: Okay. I'm just letting you know that the U.S. Mail is not a perfect service. I never got my claim form, so I could never mail it back.

THE COURT: Mr. Jameson?

MR. JAMESON: Your Honor, just to address these accusations about lack of notice, part of what I contemplated in doing the final application, I mean we already went through with the Court what we did to provide notice in prior motions.

I intended to recount that and advise that we did, in fact -- you know, went through various steps to make sure we supplied notice, to try to find addresses for people where we got things returned, and so on, all of which I will lay out in the final application, if the Court permits me to file it. But any suggestion that we have either tried not to provide notice, I assure you is absolutely incorrect. And I can make the record on that in connection with the final application.

MR. NEUMANN: Well, we all had phone numbers, so they could have called my number. My cell number has never changed.

MR. ADAMS: This is Captain Adams again. Mr. Jameson, as you know, I was objecting to your list from the very front.

And in the Court record are my objections that your list, Exhibit A, was incomplete at the time. And yet you say, and provide all kinds of numbers that you say there should have

been about 2,000 remaining pilots in that group. I recall that your Exhibit A list was already less than 1,000. And then later on, when we objected and you added another 256 names, that right there put the lie to your earlier statement that the list was complete and true, and you had done due diligence. The record shows that you did not do due diligence, that the entire 1990 November Eastern Pilot Master Seniority List from which you were to have operated was available to you. You never objected that you couldn't find it or nobody would give it to you.

THE COURT: Captain Adams --

MR. ADAMS: -- and you said that you got all these numbers off that list.

THE COURT: Captain Adams --

MR. ADAMS: And yet your Exhibit A starts out being deficient, which is proved by the May action of adding 256 names.

THE COURT: Captain Adams --

MR. ADAMS: And even still --

THE COURT: Captain Adams, please --

MR. ADAMS: Yes, Ma'am.

THE COURT: Please. You're relitigating issues that have already been decided.

MR. ADAMS: Well then, Your Honor, do you mean that our in the record statement that there were over 1,000 pilots

missing, it is your intention that you did not care that there were over 1,000 pilots missing?

THE COURT: I don't believe it. I've already decided that issue. And I decided --

MR. ADAMS: Ma'am, I don't believe that you've ever heard any argument as to how the list was incorrect.

THE COURT: Captain Adams, I decided the list was correct, after hearing all of the arguments that were made.

MR. ADAMS: Then what remedy do I have when I say that the list was fraudulent?

THE COURT: You have no remedy. You have lost. You have lost that issue. I'm not inclined to reopen this case. I'm not going to relitigate any issue. I think the Settlement Agreement deals with what happens. And I'm not inclined to grant any additional relief.

MR. ADAMS: So you're basically saying that your ruling is that they lied and they got away with it. Is that my understanding of it, Ma'am?

THE COURT: No. I'm ruling that they did not lie. I found what they presented was accurate. The Court above me found it was accurate. That's the truth. And any --

MR. ADAMS: I understand that. But the Appellate Court did not rule on the accuracy of the list. That was not the issue. It was the issue of the legitimacy of not following at all the Railway Labor Act, and going to an arbitrator to

know that the list was well and truly accurate under the Railway Labor Act under which it was constituted. That was the issue before the Appellate Court. And that was the issue that I pled to the District and Appellate Court. I did not plead how you arrived at the numbers of pilots on his Exhibit A.

THE COURT: If you did not plead it, you cannot now. You have to raise all your arguments at once. If you don't raise them, you lose them.

MR. ADAMS: Well, that puts me, an unsophisticated litigant, at the mercy of those who want to twist the Court. And I don't know if I have a remedy to that or not. I will have to see. Thank you very much, Your Honor. I appreciate it.

THE COURT: All I'm saying is I'm not inclined to grant the motion and relitigate anything. I'm sorry. There's another --

MR. ADAMS: Well, I understand --

THE COURT: -- gentleman here.

MR. ADAMS: -- Your Honor's reluctance to do so, because this has become more and more and more complex. However, there was before you a grief on my part that it was not accurate. And also a grievance that, in fact, the whole process was wrong. And 'though I agreed that the process was wrong, I was handed a decision by the Appellate Court that said, "Well, a Settlement Agreement is relief enough." And

that the Settlement Agreement and the accuracy of this has never been actually determined by yourself nor a Higher Court.

THE COURT: That's not true. When I approved the settlement, I approved the list. So it has been litigated and decided. I'm sorry, there's another gentleman in the Court. Do you want to be heard?

MR. INMAN: Yes, Ma'am.

THE COURT: Step forward and talk into the microphone, please.

MR. INMAN: I'm Brownie Inman. I'm a member of the Class too.

THE COURT: And your name again?

MR. INMAN: Brownie Inman.

THE COURT: Okay.

MR. INMAN: And I have -- it's right in the record that there's 2,000 that could have been available. But I -- it's in the record. We can go right to it right now and end this myth just quickly. Edna Smith admits in her deposition 5,000. She said she started working. She eliminated the 2,700 of the Continental Airlines and Eastern settlements, and the 300 of the -- what was it -- the -- pardon me.

THE COURT: The Alpha?

MR. INMAN: Addington Group.

THE COURT: Addington Group.

MR. INMAN: That's 3,000 people. She started with 5,

ended up with 3. I mean she started with 5, eliminated 3. That's 2,000 people. It's right in the record, right here, Your Honor. We can -- in the document -- in the Court records.

I'm not -- I can do it very easily. However, even if I do do it, it doesn't matter, because you approved the -- if you'll remember the settlement, you approved Appendix A. That was the list you started with. Appendix A was specific names. I think about 560 people. And you had to be on Appendix A. And there was no option of expanding Appendix A. It was never in your Order to expand Appendix A. You said that they had to be on Appendix A, with no mechanisms to expand Appendix A. So you defined the Class as 560 people. And anybody that's not on it is entitled to their appeal rights to arbitration.

THE COURT: Okay. And that's what you're stuck with.

MR. INMAN: Okay. Excuse me.

THE COURT: All right?

MR. NEUMANN: Excuse me, Ma'am, may I ask a question?

THE COURT: Who is speaking?

MR. NEUMANN: Pete Neumann.

THE COURT: Yes?

MR. NEUMANN: What do individuals, such as myself, who never received notification or a settlement form, or Mr. Butz, who did receive it and mailed it back, and he never received his stuff, or where Mr. Jameson agreed and verified me as being entitled to a settlement, what do I do at this point? They

both told me they had no problem with me receiving the award. Mr. Jameson told me I have to reopen this case. I said, "Well, why could you just not fund or transfer the money to an account?" He directed me to open the case. He said, "There's nothing I can do for you unless you open the case." I had full guidance. And in Mr. Butz's case, he followed the Court. He mailed his claim form in. And that's the last he ever heard.

MR. JAMESON: Your Honor, can I just briefly address with respect to Mr. Neumann, he had it wrong at first, and he didn't get it right again. What I told him was because he did not timely submit a claim form, I had no authority to make a settlement payment to him under the terms of the Settlement Agreement and the Court's Order, so that the only way that could happen is if he got approval from the Court. That is true. As to Mr. Butz, and I believe I have this correct, I believe he contacted me after Mr. Neumann talked with him, and told me that he had finally submitted a claim form, but just never received the payments. I asked him to send -- and he said he had proof of the mailing and receipt by the claims agent and so on. I said, "Send me the documentation to verify that you, in fact, sent it in. If it's good documentation and it establishes, in fact, that you did submit it before the deadline, then we would issue to him the payment. I've never received that information from him since that conversation. So, you know, I asked him for verification of that fact. He

said he had it and would send it to me, but he has not done so, so far.

MR. BARRY: And, Your Honor, one more point. Let's not forget that Mr. Neumann is also one of the parties who objected to the settlement in the first instance, and appealed the Settlement Order in the second. So Mr. Neumann should have -- for him to say he didn't know that he had to file a claim, or he wasn't aware of the deadline or of his rights, I think might be stretching it a bit. I mean he objected to the very Order that he's saying he didn't understand his rights under. So --

MR. NEUMANN: What I was objecting to more than anything, this was initially a binding Class Action without any kind of a vote or membership vote. This was turned into a Class Action with a no opt-out clause, at a full settlement. That was my objection more than anything. How could somebody turn this into a Class Action, not even ask you if you want to participate, make --

THE COURT: That's a --

MR. NEUMANN: -- make a --

THE COURT: Mr. Neumann --

MR. NEUMANN: -- settlement on your behalf, and then not even notify you?

THE COURT: Mr. Neumann --

MR. NEUMANN: That's my objection.

THE COURT: Mr. Neumann, that is not the issue. The issue is did you have sufficient notice that there was a deadline to file a claim.

MR. NEUMANN: No, Ma'am. I never received it. I had no communication at my phone number or --

THE COURT: You had the settlement.

MR. NEUMANN: -- the post office --

THE COURT: You had the Settlement Agreement to which you objected.

MR. NEUMANN: I downloaded it off the internet about two months ago. That's correct. And I read the whole thing for the first time.

THE COURT: No. At the time you filed an appeal, you knew the terms of the settlement to which you were objecting.

MR. NEUMANN: When I spoke, after the deadline passed, and I think whatever month it was we had to mail them back in - - I spoke with Mr. O'Neill about two months later when it was when he told me this was being appealed. I said, "Just add me to it then. I have no choice. Add me to whatever appeal you're doing." I personally did not do anything. I did not mail any forms in until I spoke with Mr. O'Neill, after the deadline. That was the first time I heard about a date by which we had to mail it in.

MR. ADAMS: Your Honor, Mr. Adams. I believe that --

THE COURT: Wait a minute. Captain Adams, wait. Mr.

Neumann, did you object to the settlement?

MR. NEUMANN: I objected after the deadline passed, when I did not receive any claim forms. I was told that was my only recourse.

THE COURT: Mr. Burton -- Mr. -- sorry.

MR. BARRY: I won't tell him you said that.

THE COURT: All right.

(Laughter)

MR. BARRY: Your Honor, this is Mr. Neumann's objection to the settlement. It's date stamped January 17th, '02, about 10 days before the hearing to consider the settlement. So to the extent Your Honor wants, I can hand this up for your consideration. But he clearly knew of the deadline well before the settlement was even approved. And the fact that he appealed it, again indicates that he knew of its approval and knew of its contents. So --

THE COURT: Yeah. I think to the extent that you had notice of the settlement motion and notice of approval of it, which is evidenced by both your objection and appeal, you had notice of the deadline to file a claim.

MR. NEUMANN: I spoke with Mr. O'Neill when he made me aware of this, and I said, "Do whatever needs to be done. Whatever you're pitching in to do," because I didn't have a claim form. So I was kind of riding on the coattails saying, "Whatever you guys are doing as a group, I'll be made a part of

it." But I never received a form to mail back.

THE COURT: Well, you're bound by what you did or failed to do. I can't grant you relief.

MR. ADAMS: All right, Your Honor, Captain --

MR. NEUMANN: What happens to those shares that have already been funded, that Mr. Jameson said he was holding, but he doesn't know how to release them?

THE COURT: Well, the Settlement Agreement tells him where to put them.

MR. NEUMANN: I mean I'm willing to give him my address, my Social Security number, whatever he needs. But he's told me he cannot give me those shares without your guidance, Your Honor.

THE COURT: Well, I'm denying your requested relief. I'm not going to grant you the option --

MR. NEUMANN: You're not gonna grant what? The shares that have been put in the account?

THE COURT: I'm not going to let you reopen the case so you can file a late claim. I think you had notice, and the time is passed.

MR. NEUMANN: So what does happen to the shares, those 340 shares?

THE COURT: Read the Settlement Agreement. Captain Adams?

MR. ADAMS: Yes, Your Honor. I believe that the

machinery that you set in motion, required Mr. Jameson and Mr. Tralens, I guess at the time, to send a notice and a claim form to each of those people on the Exhibit A list. And Mr. Neumann is saying that he never received one of those notices, as have several people that I have spoken to, who were on the A list. Now, I received mine, and I didn't sign it because I was objecting to it. But I have talked to several pilots who have said, "I never -- my name was on the list, but I never received the claim form."

MR. NEUMANN: People do move and relocate. That's one problem.

THE COURT: Well, the evidence I have before me is that it was sent to them. I don't have any evidence that they didn't receive it. To the extent Mr. Neumann is seeking to testify that he did not receive it, I'm denying his relief, because he had actual notice of the Settlement Agreement and the time to file a claim. And the fact that he did not get a form, does not relieve him of his obligation to take some action to file before the deadline, if he wanted to participate.

MR. ADAMS: Your Honor, Captain Adams.

THE COURT: Yes?

MR. ADAMS: Your Honor, you arrogated to yourself the role of arbitrator in this, and you set in motion machinery to carry out your orders. And although I don't think that was the

proper way to do it, I accept that Your Honor has -- seems to have the power to do it. However, the machinery that you set in motion did not work. In fact, it worked to subvert your purposes. And as a result, several people, such as Mr. Neumann, were awaiting forms from Mr. Tralens, the Class counsel, with which to file their claims. They never got those forms, or they were not processed properly. And you are saying that the negative proof, that you have no proof that it wasn't done right, is proof that everything has been satisfied by the machinery. And I submit that that is not a proper proof. That, in fact, there has to be some show by Mr. Tralens or the Class counsel remaining, that they did, in fact, mail those. They've had no proofs of mailing that I've ever heard them submit to the Court, or any other thing that they claim to have done, but that the evidence shows that they did not, in fact, do. And although Mr. Neumann may have been appealing and knew generally that he had a settlement coming due to him, he properly waited for the forms being sent out, which were never sent. And I don't think that their assertion that, "Oh, yeah, we sent them all," is good enough. I think the Court should ask for a higher standard of proof, because the prior standards of proof, which is attested to by numerous objections throughout this process, is that they never rose to that standard in any way, shape or form.

THE COURT: I don't know what proof you're attesting

to, Captain Adams, that they never did perform.

MR. ADAMS: Well, Your Honor, the one --

THE COURT: In the absence -- you're not here to testify. I don't have evidence presented by all of these people you say didn't get notice. There is a way to prove a case. And the burden of proof is on those asserting they did not get their claims.

MR. ADAMS: So there's no burden of proof on the Class counsel to say that, "I did send these forms."

MR. BARRY: Your Honor --

MR. ADAMS: Is that what you're saying, Ma'am?

THE COURT: No. I'm saying they already did that. And if you disagree with that, you have to come forward with real evidence, not just, "So and so told me he didn't get it."

MR. BARRY: And the only first-hand evidence Mr. Adams has, Your Honor, is that he received his claim form. The only party he has standing to raise this issue is for himself. And he has admitted on the record here today that he received his claim form, and that he chose not to fill it out and file it. So, Your Honor, we would respectfully request that you deny all of the pending motions to reopen the case, subject to Mr. Jameson's -- it sounds like you've already ruled with respect to his, and all the motions to compel compliance with the Order.

THE COURT: I'm inclined to do so. Mr. Inman, do you

have anything further?

MR. INMAN: Yes, Ma'am. I have Mr. Neumann's daughter's list. This girl sat down for maybe three weeks, and wrote 205 names of people that were on the -- missing people, I call it. They aren't really on the -- these people that are identified on the A list. Of course, the A list is the only thing that counts anyway. That's all that counts. It doesn't matter. You know, we could find, you know, Mr. Tralens could have advertised in the newspaper and found out that Joe Schmoe was really on the list, and everything was rosy posy because he was on the Eastern 1990 list. He doesn't have any claims. He hasn't opted out. And he would go over and ask the lady, Edna, who's testified to this thing, says, "Is Edna on the list?" And she'd say, "No, she's not on the list." Even though --

THE COURT: See again, this is something that was litigated four years ago. How many years ago was the Order entered?

MR. BARRY: January 31st, '02, Your Honor.

MR. INMAN: Well, they've also had --

MR. BARRY: Over four years ago this was litigated.

MR. INMAN: Ma'am, I'm not speaking for myself. We can find those people. We can get you addresses for these people that -- there's 76,000 shares here. I'll give mine away.

THE COURT: It's too late. It's too late.

MR. INMAN: Is it too late to appeal?

THE COURT: You can appeal my Order now, but I'm denying a motion to reopen the case, because all these issues of who should or should not have been on the list, were already decided.

MR. NEUMANN: Your Honor, Pete Neumann.

THE COURT: Yes.

MR. NEUMANN: When I spoke with both attorneys, Mr. Barry and Mr. Jameson, in my personal case, they both verified who I was, that I was entitled to the shares. They were all looking for your guidance what to do with it. They thought I was part of this from the beginning, but they were just looking what to do with all these shares. They told me they had no idea what to do with it. They didn't have any guidance. That's why they asked me to file a motion with the Court.

THE COURT: All right.

MR. NEUMANN: I just called them up and I said, "Can you please finally release the shares that were put aside four years ago?" They both took a week to verify who I was. They both agreed to my background, that they knew I was part of EPFF. All I'm asking for is what was already funded.

THE COURT: Well, I understand, but I'm going to deny the relief you're requesting, Mr. Neumann.

MR. NEUMANN: So what happens to the shares that Continental put in its escrow account?

THE COURT: I believe under the Settlement Agreement they go back to Continental. Am I correct?

MR. NEUMANN: And Mr. Barry says, "We don't want the stock back." I asked him that question. He said, "We funded it. It's between you and Mr. Jameson."

MR. JAMESON: Your Honor --

MR. NEUMANN: When I called Mr. Jameson, he said, "I have such a mess in paperwork, I have no idea what to do right now. I need Court guidance."

MR. JAMESON: Your Honor, just to be correct, they actually go back to the Continental Estate --

THE COURT: Okay.

MR. JAMESON: -- not to Continental itself.

THE COURT: I'm sorry.

MR. INMAN: May I ask a question? Were you intending to have a Class Action that would identify people who had not opted out that were on the 1990 Seniority List?

THE COURT: I'm not gonna relitigate what the settlement dealt with. The list was prepared and approved. It was amended and approved. That's the list.

MR. INMAN: I agree. But we could have written this Order just as easy to say let's publish the A list and pay these people some money. So if you didn't want to provide a Class Action for people who had not opted out, I'll take it that you didn't really want to do that. Thank you.

THE COURT: Listen. The pilots have litigated this for years and years and years. And the Court is well aware that they would file documents and not file documents based on what they perceived was their rights. If they did not file a claim, the Court presumes they did not want to be part of the settlement, and did not want to receive these shares, because they felt they had other rights that they could pursue on appeal. So I recognize that certain pilots did not want to participate.

MR. NEUMANN: Your Honor, why was this not sent certified mail or return receipt so there's some kind of documentation this was mailed?

THE COURT: I'm not answering any questions. I've made my ruling. I'm not inclined to grant any relief on any of the motions. The case has been decided, and the parties are stuck with what was decided four years ago.

MR. NEUMANN: So these shares will never be distributed to whom they were intended to be distributed to.

THE COURT: The Settlement Agreement will be complied with. All right, we'll stand adjourned.

MR. JAMESON: Your Honor, should we submit an Order with respect to all of the pending motions, or will Your Honor just simply rely on the oral ruling today?

THE COURT: I'd like a Form of Order.

MR. JAMESON: Very well. Thank you very much, Your

Honor.

THE COURT: Thank you.

Adversary Proceeding
No. A-99-412
Class Action

FINAL JUDGMENT AND ORDER OF DISMISSAL

This matter having come before this Court on Motion for Approval of a
Settlement in this class action, and the Court, having considered all papers filed in
connection with said motion, good cause appearing therefor, it is,

ORDERED, ADJUDGED AND DECREED THAT:

1. This Court has jurisdiction over the subject matter of this litigation and over all Parties, including all members of the Class.

2. On November 26, 2001: (a) the Class Settlement Notice, together with copies of the Proof of Claim substantially in the forms annexed as Exhibits 1 to 3 to Exhibit B, respectively, to the Settlement Agreement were mailed by First Class Mail to all members of the Class as identified on Exhibit C to the Settlement Agreement at their addresses listed therein; (b) the Summary Notice for Publication, substantially in the form annexed as Exhibit 2 to Exhibit B to the Settlement Agreement was published once in the National Edition of USA Today on December 3, 2001; and (c) both the Summary Notice for Publication and the Class Settlement Notice were posted on the Internet by Class Counsel on November 27, 2001. Such notice is hereby determined to be in full compliance with Rule 23 of the Federal Rules of Civil Procedure and of due process, is found to be the best notice practicable under the circumstances, and to constitute due and sufficient notice to all Persons entitled thereto.

3. The Court finds that the Class consists of those persons identified on Exhibit A attached hereto, without prejudice to persons who file a Proof of Claim on or before April 3, 2002 and who establish, to the mutual agreement of the parties, or, absent same, to the Court, that they satisfy all criteria necessary to be included in the Class.

4. This Court hereby approves the Settlement set forth in the Stipulation and Agreement of Compromise and Settlement (the "Settlement Agreement") dated

October 16, 2001, and finds that the Settlement of the claims of the Plaintiffs and the Class embodied therein is, in all respects, fair, reasonable and adequate to the Class. The terms and phrases used in this judgment shall have the same definition and meaning as in the Settlement Agreement.

5. AFFIDAVIT OF EDNA SMITH

COUNTY OF HARRIS) ss:
STATE OF TEXAS)

Edna Smith, being duly sworn, deposes and says:

1. I have been employed by Continental Airlines, Inc. ("Continental") since 1985 and I am currently a Litigation Analyst in the Continental legal department. I have been directly involved in the administration of proofs of claims in the above-captioned bankruptcy proceeding

(c) I then reviewed the list of all those claimants who had settled and released their claims against the Debtors as a result of that certain settlement agreement between the Debtors and the Air Line Pilots Association (the "ALPA Settlement"). Each claimant that had accepted the ALPA Settlement was removed from the list.

(d) I then reviewed a list prepared by Continental's outside counsel of all those claimants who had filed a notice withdrawing their proofs of claim in these proceedings. This group is referred to as the "Addington Group." Each claimant that had withdrawn his or her claim was removed from the list.

(e) I was then supplied with a list prepared by class counsel to the Plaintiffs of those persons that he believed would be properly included in the class. I reconciled the two lists, doing further research into a claim or claimant where necessary and I did identify certain additional claimants that were properly included in the class. The result of these efforts, which took more than 80 hours, is the list attached hereto as Exhibit A.

4. Based on the foregoing, I submit that the list attached hereto as Exhibit A is a complete and accurate list of all persons properly included as plaintiffs in the above-captioned class action adversary proceeding.

Dated: January 2, 2002
Houston, Texas

since Continental created the claims group in 1990. I am duly authorized to execute this affidavit and unless otherwise indicated, the facts and information set forth herein are based on my personal knowledge.

2. I worked with Continental's in-house and outside counsel and counsel for the Plaintiffs to prepare Exhibit A to the proposed Amended Order Granting Class Certification, a copy of which is attached hereto. It is my belief and understanding that the attached Exhibit A is a complete and accurate list of all persons properly included as plaintiffs in the above-captioned class action adversary proceeding.

3. The attached Exhibit A was compiled as follows:

(a) I and those under my direct supervision and control reviewed the Official Claims Register maintained in these bankruptcy cases and identified any proof of claim that may have been filed by a former employee of Eastern Airlines who claimed they were entitled to the benefits of the collective bargaining agreement between Eastern Airlines and the Air Line Pilots Association (the "Eastern CBA") in effect at the time that Eastern Airlines allegedly merged with Continental Airlines Holdings, Inc. This resulted in an initial list of more than 5,000 claims.

(b) Each proof of claim was pulled and reviewed by me personally or those under my direct supervision and control to determine if the basis of the claim was for equitable relief or damages as a result of Continental's alleged violations of the labor protective provisions (the "LPP's") of the Eastern CBA. I deleted from the list those proofs of claim that did not meet the criteria set forth above.

**MOTION OF CLASS ACTION PLAINTIFFS FOR FINDING THAT NEWLY
IDENTIFIED FORMER EAL PILOTS ARE MEMBERS OF THE CLASS,
FOR ENTRY OF ORDER REQUIRING CAL TO FUND THE SETTLEMENT
FOR THE NEW CLASS MEMBERS, FOR 90 DAY EXTENSION OF TIME TO
PROVIDE NOTICE AND FOR APPROVAL OF FORM OF NOTICE**

The LPP Class Action Plaintiffs respectfully request the Court to issue an order finding that 256 newly identified former Eastern Airlines (EAL) pilots listed on Exhibit A appended hereto are members of the Class certified herein (the "New Members"). The New Members are covered under the defined class in this matter because they (1) were

members of EAL's flight deck collective bargaining unit who are identified on Eastern Airlines' November 1990 seniority list; (2) did not settle, waive or relinquish their LPP claims with Continental; and (3) did not withdraw their proofs of claim on or before April 15, 2000 as part of the group that moved to intervene herein as members of the Class. Continental disputes that the New Members satisfy the requirements for inclusion in the Class. The disagreement between Continental and the Class Action Plaintiffs is as follows: The Class Action Plaintiffs contend that the New Members are members of the Class because they were included in the Proof of Claim filed by ALPA and never settled or otherwise withdrew that claim. Continental contends that the New Members are not members of the Class because they did not file individual proofs of claims.

The Class Action Plaintiffs also request that the Court direct Continental to fund the settlement for the New Members forthwith and to grant a sixty (60) day extension from the current bar date of June 3, 2002 until August 2, 2002, for the filing of Proofs of Claim by the New Members in order to provide Class Counsel with sufficient time to serve Notice on said persons of their right to participate in the Class Settlement. In support of this Motion, the Class Action Plaintiffs' state:

1. On February 3, 2000, this Court entered its Order Granting Class Certification. The class was certified as follows:

All Eastern Airlines former flight deck employees who claim they are entitled to the benefits of the collective bargaining agreement (the "CBA") between Eastern Airlines and the Air Line Pilots Association in effect at the time that Eastern Airlines allegedly merged with Continental Airlines Holdings, Inc. who

filed a timely claim in the above-entitled reorganization of Continental Airlines, Inc., Case No. 90-932 (the "Reorganization") for enforcement of the labor protective privileges embodied in the CBA (hereafter "the Class Members"), *except* (1) those persons who settled, waived or relinquished his or her LPP claim with Continental and (2) those persons who moved to intervene herein, pursuant to the "Motion to Intervene in Adversary Proceedings" filed November 11, 1999 and who file a notice of withdrawal of his or her Proof of Claim in this Reorganization with the Clerk of the Bankruptcy Court for the district of Delaware on or before April 15, 2000.

Docket Nos. 26 and 27, Opinion and Order Granting Class Certification dated February 3, 2000.

2. The LPP Class Action Plaintiffs subsequently moved for the entry of an order clarifying the method of identifying class members because of problems the parties were having in deciding whether certain persons were members of the Class. Docket No. 52; LPP Class Action Plaintiffs' Motion to Clarify Method of Identifying Class Members) The problems concerned the interpretation and application of the phrase "*who filed a timely claim*" in the class definition and, more specifically, whether "new hires" employed by Eastern after ALPA pilots went on strike on March 4, 1989, are part of the Plaintiff Class. The LPP Plaintiffs contended that all EAL flight deck crew members are entitled to participate in the Class, including the "new hires" because they were entitled to the benefits of the ALPA/EAL collective bargaining agreement. CAL contended that only those pilots who filed claims in bankruptcy are entitled to participate.

Adversary Proceeding
No. A-99-412
Class Action

3. After the Motion to Clarify was filed, the LPP Class Action Plaintiffs and CAL agreed that because the clear language of the Proofs of Claim filed by ALPA for enforcement of the EAL LPPs against CAL excluded the "new hires" and was limited to persons who were EAL ALPA members pre-strike (before March 4, 1989), any new hire who did not file a Proof of Claim or have a Proof of Claim filed for him or her by the undersigned would fall outside the class definition and he or she would not be eligible to participate in the class settlement. The parties also agreed that in order to ensure that the participants in the Class were active employees of EAL as of its January 19, 1991 shutdown, an eligible pilot had to be listed on EAL's November 1990 Alphabetical Seniority List.

4. On July 10, 2001, the Court entered its Order Granting Class Action Plaintiffs' Motion to Clarify Method of Identifying Class Members by including the requirement that eligible pilots had to be listed on EAL's November 1990 Alphabetical Seniority List. The Court also required the eligible pilots to be "members of Eastern's flight deck collective bargaining unit" rather than simply former EAL flight deck employees "who claim they are entitled to the benefits of the collective bargaining agreement (the "CBA") between Eastern Airlines and the Air Line Pilots Association." This clarification comported with the parties' agreement that in order to participate in the Class, pilots had to be active with EAL as of the stipulated date of merger, (i.e.: EAL's shutdown date), and that "new hires" who did not file claims or have claims filed for them would be excluded from the class as they were not part of the EAL pilots who

Adversary Proceeding
No. A-99-412
Class Action

were members of ALPA and they did not individually file timely claims for enforcement of the LPPs in these proceedings. (Docket No. 56; Order Granting Motion to Clarify Method of Identifying Class Members)

5. As a result of the foregoing, the parties mutually identified 583 LPP Class Action Plaintiffs. The Court, recognizing that there may be additional persons covered by the class definition, expressly stated at the preliminary settlement hearing conducted on November 16, 2001, the fairness hearing conducted on January 31, 2002, and the hearing on the O'Neill post trial motions conducted on April 2, 2002, that it would not limit the list of class members to the 583 persons identified by the parties but would leave the door open for persons who claimed they met the class definition to be included in the Class. In doing so, the Court expressly stated that if the parties could not agree as to whether certain persons are or are not members of the Class, that the Court would resolve the issue — hence, this Motion.

6. Throughout these proceedings, Class Counsel has been working diligently to ensure that all persons who meet the class definition are identified and provided with notice of the settlement. As a result of the O'Neill appeal and the receipt of joinders in that appeal from persons not previously identified as class members who appear to qualify, as well as advice from CAL received in early April 2002 that it had discovered 248 persons who were previously not identified as class members but who might be members of the class, the undersigned decided to redo the data research conducted last year and shared with CAL. Accordingly, the undersigned retained a new data

Class Action

processing firm to input the entire November 1990 EAL Alphabetical Seniority List consisting of 3,387 persons into a databank, including each pilot's seniority number and date of hire (the "Master List"). The data processors then inputted the agreed list of 583 LPP Claimants and deleted them from the Master List. The data processors then inputted all of the EAL pilot names and employee numbers identified on the list of persons who elected to participate in the 1994 ALPA/CAL Settlement which was prepared by Continental and provided to the undersigned (the "Takers List") and deleted those persons from the Master List¹. The data processors then worked directly from the Bankruptcy Court docket sheets to identify, input and delete the 321 Addington/EPMC pilots who withdrew their claims against CAL from the Master List. The data processors then deleted from the list all of the remaining "new hires" by deleting all pilots with a seniority date on or after March 3, 1989. The resulting Preliminary List of additional LPP Plaintiffs consisted of 533 pilots.

7. The next step was to verify how many of the 533 pilots on the Preliminary List filed timely claims in the CAL bankruptcy. On March 24, 1994, ALPA and Continental entered into a Claims Settlement Agreement for purposes of settling the EAL LPP claims ALPA filed against CAL on behalf of its pre-strike members². (A copy

¹ 1,396 of the 2,577 pilots identified by Continental as "Takers" are listed on the November 1990 EAL Alphabetical Seniority List

² Paragraph 2 of the Claims Settlement Agreement defined "Eligible Pilots" as "all pilots who were in the active service of Eastern Airlines, Inc. through March 3, 1989, as reflected on the attached Preliminary List

of the Claims Settlement Agreement [Docket No. 5119 in Jointly Ad. No. 90-932] is appended as Exhibit B). CAL agreed in the Claims Settlement Agreement that approximately 3500 EAL pilots covered by ALPA's Proofs of Claim³ and identified on a list⁴ attached to the Claims Settlement Agreement were entitled to participate in the Settlement. As CAL unequivocally agreed that the EAL pilots on the "Eligible Pilots" list were entitled to participate in the 1994 ALPA/CAL Claims Settlement Agreement as a result being included in ALPA Proofs of Claim, there can be no dispute that their claims were timely filed by ALPA. Accordingly, in order to ensure that every new member was recognized by CAL to have filed a timely claim in these bankruptcy proceedings, the data processing firm was instructed to compare the "Eligible Pilots" list appended to the 1994 ALPA/CAL Claims Settlement Agreement against the Preliminary List and to delete the names of all EAL pilots from the Preliminary List which are not on the 1994

³ Appended as Composite Exhibit 2 to the Settlement Agreement are ALPA's Proofs of Claims as the "authorized representative" and the "exclusive collective bargaining representative" of certain specified pilots (those who were pre-strike). The Proofs of Claim were filed with respect to enforcement of the EAL LPPs against CAL and expressly included the National Mediation Board proceedings which this Court initially enjoined, to wit: *"In the Matter of an Application of the Air Line Pilots Association for an Arbitration Under the Labor Protective Provisions Involving Eastern Airlines, Inc."*

⁴ The list was subject to verification and supplementation by ALPA prior to the Bankruptcy Court hearing on the approval of this Settlement Agreement. A review of the docket sheet in 90-932 from the time the motion to approve the settlement was filed until the entry of the order approving does not reflect the filing of a supplemental or corrected list. The undersigned requested CAL's attorney to confirm that no such supplemental or corrective list was filed or, if there was one, to provide it but has not received a repose to the request.

ALPA/CAL Claims Settlement "Eligible Pilots" list. The result is the List of 256 Additional LPP Class Action Plaintiffs appended hereto as Exhibit A, all of whom were recognized by CAL as having filed timely claims, through ALPA's Proofs of Claim, in these bankruptcy proceedings.

8. Notwithstanding the fact that each of the 256 additional persons identified on attached Exhibit 1 meets all of the class definition criteria as well as the fact that CAL agreed that all 256 persons were "Eligible Pilots" as a result of ALPA's filing of Proofs of Claim on their behalf, CAL now states it will not agree to the inclusion of the 256 New Members because ALPA withdrew its claims as part of the settlement and the 256 pilots did not file individual claims in the bankruptcy.

9. CAL's position is untenable. The ALPA/CAL Claims Settlement Agreement was an opt out agreement. If Eligible Pilots elected not to participate in the Settlement Agreement, they retained the right to pursue their LPP Claims. That is the law of this case as determined by this Court. In approving the effect of the ALPA/CAL Claims Settlement Agreement on those who elected not to participate, this Court expressly ruled on July 19, 1994, in its Order Approving Continental-ALPA Claims Settlement Agreement, at paragraph 4 that:

Those who objected had the clear recourse of refusing to participate in the Settlement and retaining their Claims.

(Emphasis supplied; a copy of the order, Docket No. 6016 in Jointly Ad. No. 90-932 is

attached as Exhibit C.) Indeed, if that were not the case, this action could not have been brought. Moreover, a number of the 583 LPP Class Action Plaintiffs CAL has agreed to are persons whose claims were filed by ALPA who did not accept the ALPA/CAL settlement.

10. In addition to being inconsistent, CAL's position is not logical or a fair expression of the spirit and intent of the ALPA/CAL Claims Settlement Agreement. CAL contends that when ALPA withdrew its claims as a result of the settlement, that every pilot who had not filed an individual claim and who did not "elect" to participate in the ALPA/CAL Claims Settlement was left with no claim at all. CAL's new interpretation of the ALPA/CAL Claims Settlement Agreement, made in order to defeat the claims of the newly discovered Class Action Plaintiffs here, was not disclosed in the Claims Settlement Agreement and is contrary to this Court's express ruling discussed above. In addition, it would have been impossible for any EAL pilot who wished to opt out of the Claims Settlement Agreement to timely file a claim on his own because the bar date for the filing of claims had long since passed and there was no provision in the Claims Settlement Agreement to reopen the time for filing claims.

11. CAL also asserts that the release language in the ALPA/CAL Claims Settlement Agreement bars the claims of these New Members. It does not. The release language at paragraph 8(A) of the Settlement Agreement is between the CAL entities and ALPA with the exception of "individual pilot defendants who do not elect to participate in this Settlement Agreement." In addition, the release

Class Action

language at Paragraph 8(B) of the ALPA/CAL Claims Settlement Agreement states that **"The above release and waiver of all claims arising heretofore shall have no effect at all on (1) any claims or rights of any pilot who has filed a claim for such in the Delaware bankruptcy proceedings and does not participate in this Settlement Agreement..."** Those claims, as have been shown, were filed for the newly discovered 256 pilots by ALPA.

12. Finally, there are approximately 3500 "Eligible Pilots" identified on the list appended to the ALPA/CAL Claims Settlement Agreement. As this Court noted in its July 19, 1994 Order Approving Continental-ALPA Claims Settlement Agreement at paragraph 4, approximately one third of the pilots elected not to participate in the Settlement. Clearly, Continental has known since 1994 that it had approximately 1167 timely filed LPP claims to resolve. During the 8 year period since the ALPA/CAL Claims Settlement Agreement was approved, the total number of LPP claims has diminished by close to 30% to the 839 persons who meet this Court's criteria to participate in the LPP Class Action. Accordingly, it is respectfully requested that this Court find that the 256 New Members identified on Exhibit A are Class Members entitled to participate in the Class Settlement and direct Continental to fund the settlement for the 256 New Members forthwith.

13. In addition, Class Counsel respectfully requests a sixty (60) day extension from the current bar date of June 3, 2002 until August 2, 2002, for the filing of Proofs of Claim by the 256 newly discovered Class Members in order to provide Class Counsel

with sufficient time to serve Notice on said persons of their right to participate in the Class Settlement in the form attached as Exhibit D.

WHEREFORE, the LPP Class Action Plaintiffs respectfully request the Court to find that the newly identified former EAL pilots identified on Exhibit 1 are members of the class; to enter an order requiring CAL to fund the settlement for the new class members and for a 60 day extension of time to provide notice and for approval of the form of notice appended to this Motion.
